

**OAKLEAF SPORTS ASSOCIATION**  
 3979 Plantation Oaks Blvd  
 Orange Park, FL. 32065

## Youth Sports Sponsorship Form

Become an "Oakleaf Sports Sponsor" today! We've created several levels of sponsorship to fit just about anyone's donation/marketing budget this year! Being an Oakleaf Sports Association Sponsor is a great advertising opportunity for all businesses in the Northeast Florida area. Sponsors will be visible all season long, and coaches, parents, players, and spectators will know that your company is supporting our ballpark and contributing to the community for a great cause!

\*\*Note: Please see special instructions for ordering a banner on the 2<sup>nd</sup> page of the order form.\*\*

## OSA Banner & Sign Production Requirements

Dear Valued Sponsor:

Please note in order to produce a banner as part of your sponsorship, we will require a digital image of your logo and any information you would like placed on the banner.

In order to produce the best quality banner, the digital image needs to be in a vectored file format. The most common vector image file ends with .eps. Most companies can get this type file from the company or person that does their marketing. If a vector file can't be obtained, a JPEG image may work if the picture contains enough resolution. JPEG images MUST have at least 300dpi. Low resolution images or images copied from a website are not sufficient for producing a banner. To fit on a 3X5 banner, a JPEG image must be enlarged over 300%. If you are unsure if your image contains enough resolution for the banner, open the picture on your computer and magnify the image 300%. That is what will be printed on the banner. If the image still looks acceptable after enlarging 300% on your screen, then you can email the image.

Once you have the proper digital image needed for your banner, please email the file to:
